

Season's Greetings!

Many residents have taken a great deal of time and spent quite a few dollars to decorate their lawns for the winter holidays, and the Community is much more festive for their efforts!

During this season, your lawn will continue to be serviced by the Association - mowing, edging, trimming, and so on. While every effort will be made to work around these lovely decorations, it's possible for cords to be cut, light bulbs to be broken, or other such damage to occur. Also, decorations can pose a safety hazard with the mowing and trimming equipment.

Keeping that in mind, please be advised that the Association and the landscaping contractor will assume no liability for the repair or replacement of any lawn décor, lighting, or ornaments which may be damaged or rendered inoperable.

Also - Elaborate decorations may result in your lawn being skipped during a service, if the contractor does not feel he can safely or properly perform his tasks.

We hope you have a safe and happy holiday! If you have any questions or concerns regarding this matter, contact your property manager.
