

April 21, 2011

ATTENTION HAMPTONS HOMEOWNERS

The Town of Jupiter has informed The Hamptons that remediation work is planned to begin on Monday, April 25, 2011 on the 13 outflow pipes in the lakes.

This work will begin along Hampton Place. There may be some roadway blockage necessary at times during this process. Please be prepared to take alternate routes while work is in progress. Each section is estimated to take a week to complete.

All three Phases of the Hamptons are included. This work is anticipated to continue through June, 2011.

This work is being done by the Town of Jupiter. Homeowners who live in the immediate area where work will be performed should receive notice from the Town posted in advance of the work.

You may contact Bristol Management at 575-3551 if you have questions.

Thank you,

Pam Adams, LCAM
