

Pine Tree Trail, Jupiter, Florida

RULES FOR HOMEOWNERS TO SPEAK TO THE BOARD

COMPLETE the "FORM" FOR SPEAKING TO THE Board and submit to the property manager prior to the start of the Board Meeting.

Every Homeowner will have the opportunity to address & speak to the Board at the end of the business meeting under the "Open Forum" part of the agenda

Every homeowner will have three (3) minutes to address the Board with their issue.

Homeowners who have issues that they anticipate will take longer than 3 minutes should contact the property manager or Board President in writing five (5) business days prior to the next scheduled board meeting to have the item placed onto the agenda.

As a general rule, the Board will normally take whatever issue is presented to the Board under advisement, and if necessary, schedule it for the next available Board Meeting for discussion and possible action. This allows the Board to properly research & investigate the issue and provide proper thought before action is considered.
